Winning With Australian Air Power In Diverse Cultures: Relating National Culture To Air Power Doctrine, Interoperability And Effects-based Operations by David Jeffcoat. ISBN 9780642265890. Paperback, 218 Pages, Published 2003 by RAAF Airpower Studies Centre. This book explores the relationship between national culture and air power doctrine, interoperability, and effects-based operations. It discusses the challenges of integrating diverse cultural perspectives into a unified air power doctrine and the importance of understanding national culture in the context of air power operations. The book is a valuable resource for military leaders, policymakers, and scholars interested in the intersection of culture and air power.
